

## Summer Programme, Dates and Times

*Sports Leader and Dance Leaders Training:* The Course starts Monday 12th - 16th July 2010.

*Volunteer training:* w/b 19th July 2010

*Summer Sports Festival:* 2nd August - 6th August 2010

## Sports Leader Qualifications & Criteria

All training is QCA approved and the NSPCC - Participation Through Sport is an accredited centre for Community Sports Leadership.

UK Level 1 in Sports Leadership (14+ on 12th July 2010)

UK Level 2 in Community Sports Leadership

(16+ on 12th July 2010)

UK Level 1 Dance Leaders (14+ on 12th July 2010)

## Content

The courses promote a range of transferable skills such as leadership, organisation and communication. All candidates complete workshops in Emergency First Aid, Safeguarding Children and Inclusion.

## Course Aims & Delivery

To build resilience and self efficacy engaging young people and volunteers in positive outcomes. A variety of learning styles are used with an emphasis on a practical problem solving approach that includes peer led and evaluated activities.

## Developing Sustainable Community Provision - Learning into Practice

The programme provides candidates an opportunity to showcase their skills by planning and delivering a community based holiday event. All participants will be given opportunities to further their personal development and assist with a variety of after school, holiday and community based events. Our experience is that young people who volunteer wish to be supported, help shape the activities, deliver as part of a peer group with the opportunity to have fun and socialise. This prepares young people to volunteer in children's services, play and sports settings.

Participation Through Sport is a community partner of Sports Leaders UK. We run a variety of training courses in order to promote the personal development and volunteering of young people. All our courses are designed to promote sustainable after school, holiday and community activities. Since our establishment in 2003 we have worked with a variety of partners including the Football Association, British Judo Association, Play North West, Sport Cheshire, V Talent, School Sports Partnerships, Warrington Collegiate, Priestley College, Extended Services and Sport Relief.
